THE  
HEDGEHOG™

Spring heat is in the  
air at knothole village

And every girl is  
being affected.

And as the wolf  
came close, Riding  
Hood spread her legs  
wide apart.

That's enough  
for today. It's time for  
the funny kiss.

I can't believe I did that!  
If I don't get away now, I'll  
be **riding** him next time!

I saw your  
"funny kiss"

But don't worry,  
I won't tell anyone.

On one condition...

... I get to play with  
you anytime I want.

Do you know where Aunt Sally went?

She's... um, on a patrol mission.

You can stay here until she gets back.

Where do I sleep?

There's plenty of room here shuga'.
